This list of telephone switches is a compilation of telephone switches used in the public switched telephone network (PSTN) or in large enterprises.

List of telephone switches - Wikipedia

In sociology, a social system is the patterned network of relationships constituting a coherent whole that exist between individuals, groups, and institutions. It is the formal structure of role and status that can form in a small, stable group. An individual may belong to multiple social systems at once; examples of social systems include nuclear family units, communities, cities, nations ...
