

literary impressionism james and pdf

Expressionism is a modernist movement, initially in poetry and painting, originating in Germany at the beginning of the 20th century. Its typical trait is to present the world solely from a subjective perspective, distorting it radically for emotional effect in order to evoke moods or ideas.

Expressionism - Wikipedia

Socialist realism is a style of idealized realistic art that was developed in the Soviet Union and was imposed as the official style in that country between 1932 and 1988, as well as in other socialist countries after World War II. Socialist realism is characterized by the glorified depiction of communist values, such as the emancipation of the proletariat, by means of realistic imagery.
