Cobbler is a dish consisting of a fruit or savoury filling poured into a large baking dish and covered with a batter, biscuit, or dumpling (in the United Kingdom) before being baked. Some cobbler recipes, especially in the American south, resemble a thick-crust, deep-dish pie with both a top and bottom crust. Cobbler is part of the cuisine of the United Kingdom and United States, and should ...

Note that as the 'difference' compose method is associative, the order of the two images in the above examples does not matter, although unlike "compare", you can compare different sized images, with the destination image determining the final size of the difference image. The different method is even more useful when used with the "convert" program, as you can process the resulting image ...
