Colin Wilsonâ€™s classic work is an essential guide to the mind-expanding experiences and discoveries of the occult in the 20th century. He produces a wonderfully skillful synthesis of the available materialâ€”one that sees the occult in the light of reason and reason in the light of the mystical and paranormal.

### **The Occult by Colin Wilson - Goodreads**

Colin Henry Wilson was an English writer, philosopher and novelist. He also wrote widely on true crime, mysticism and the paranormal, eventually writing more than a hundred books. Wilson called his philosophy "new existentialism" or "phenomenological existentialism", and maintained his life work was "that of a philosopher, and purpose to create a new and optimistic existentialism".
